Wuhan, China
2010 - 2014

Experience

Co-Lab for Data Impact, Northeastern University

Graduate Research Assistant

Working on a data research and design project that seeks to investigate and visualize the historical evolution of household in America from 1850 to the present.

Boston, MA
Oct 2019 - Present

The Center for Design, Northeastern University

Data Visualization Designer

Worked on a large-scale data visualization that was prominently displayed at the 2019 Bi-City Biennale of Urbanism until March 2020 in Shenzhen, China. The project is to unfold the complexity of the curatorial process, which has been dissected into eleven charts that expose the richness of the corpus of metadata and descriptions attached to everyone and each applications.

Boston, MA
Oct 2019 - Dec 2019

NBC Owned Television Stations

Multimedia Intern

Developed graphics and data visualizations for NBC's owned local stations. Worked with national visual team to analyze and visualize data, as well as to help do data research for stories. Edited news photos for stations' sites to assist with reporting and content production.

New York, NY
June 2019 - Aug 2019

Data Media Lab, Wuhan University

Associate

Operated visualization tool and did user research. Pitched, researched and authored weekly data/visual-driven stories.

Wuhan, China
Apr 2016 - Mar 2017
