## Experience

### **Co-Lab for Data Impact, Northeastern University** *Graduate Research Assistant*

Boston, MA  
Oct 2019 - Present

Work on a data research and design project that seeks to investigate and visualize the historical evolution of household diversity in America from 1850 to the present.

### **Center for Design, Northeastern University** *Data Visualization Designer*

Boston, MA  
Oct 2019 - Dec 2019

Work on a large-scale data visualization that was prominently displayed at the 2019 Bi-City Biennale of Urbanism in Shenzhen, China in December.

### **NBC Owned Television Stations** *Multimedia Intern*

New York, NY  
June 2019 - Aug 2019

Developed graphics and data visualizations for NBC's owned local stations. Worked with national visual team to analyze and visualize data, as well as to help do data research for stories. Edited news photos for stations' sites to assist with reporting and content production

### **Data Media Lab, Wuhan University** *Associate*

Wuhan, China  
Apr 2016 - Mar 2017

Operated visualization tool and did user research. Pitched, researched and authored weekly data/visual-driven stories.
